

Dear Prospective Student and Family,

We are very pleased that you have expressed an interest in **SportsCan Academy**. We are delighted to be opening our doors to Ottawa's student-athletes and providing them with a passion-based education that integrates Academics, Athletics and Character-building.

Our **School Philosophy** continues to be based on our belief that a passion for **SPORTS CAN** drive a passion for learning and for leading.

Our **Vision** is to create a lifelong learner that is a positive role model and leader in their community. We will achieve this by being an inclusive, character-focused learning environment linking excellence in education and athletics with a commitment to healthy, active living for all students. We will be a school of excellence, flexibility & creativity, enabling all student-athletes to achieve their academic goals while training and competing to reach their athletic goals with a focus towards post secondary education.

SportsCan Academy answers the needs for student-athletes by delivering the Ontario Curriculum in small class sizes, with Ontario Certified Teachers. Students benefit from the use of technology (laptops, Smart boards, and access to the SportsCan Academy Network) where lessons are updated online daily and teachers are available through a variety of means such as email and Skype. Flexible deadlines, high academic standards, and the focus of developing a student-athlete who is equipped to be a healthy active adult, truly separates SportsCan Academy from all other schools in Canada. SportsCan Academy is **“Where student-athletes pursue their athletic and academic DREAMS”**.

SportsCan Academy will offer:

- a grade five to seven program of studies that follow the Ontario Curriculum and is delivered in a creative meaningful manner;
- a flex program for athletes that are looking for flexible academic scheduling to match their athletic training;
- a well rounded program that places equal emphasis on literacy, numeracy, the arts, and physical literacy.
- a program emphasis on general athlete development in multi sport programs for the grade 5-8 students
- mentoring program, sport psychology, nutritional programs, individual strength and conditioning programs;
- end of day work period to allow for 1 on 1 with teachers, small group tutorials and home work time
- reduced pupil/teacher ratio;
- access to and communication with teachers and fellow students while away from class through the SportsCan Network.

This year's academic tuition has been set at a fee of \$10,000 for early registration before February 28th and \$12,250 for the remainder of the year. In addition to the academic tuition there is sport program tuition fee (see School Fees for specific amounts). This fee will be to cover facility costs for the athletic component of the program (swimming pool, field trips to various sport venues, etc...). SportsCan Academy offers a **Family Plan**, available to those families that have more than one student-athlete in the family. For details please contact SportsCan Academy

Yours truly,

Colin Walker
